Jim Boos Camp Director

The winningest coach in the history of UMD volleyball, head coach Jim Boos took over the Bulldog program in 2002 and immediately led the team to the forefront of the NCAA Division II scene.

UMD has transformed into a perennial national title contender under Boos, making 16 trips to the NCAA II National tournament from 2002 to 2018. The 2018 season included a regular season NSIC Championship, an NSIC Tournament Championship and an appearance in the NCAA II Central Regional. The Bulldogs finished the season ranked fif in the American Volleyball Coaches Association national poll after a 28-6 finish which moved Coach Boos' career coaching record to 466-88.

Christyn May Assistant Coach

Christyn May, the 2012 AVCA Division II National Assistant Coach of the Year, is currently in her fifteenth season as an assistant coach for the University of Minnesota Duluth and serves a critical role for the Bulldogs' success. May came to the Bulldogs after spending four seasons at her alma mater, the University of Nebraska-Omaha, where she was a member of the 1996 DII National Championship team. She also serves as the head coach for the Minnesota North Junior Olympic volleyball team.

Kate Lange Assistant Coach

Kate Lange, the 2013 AVCA Division II National Player of the Year, is currently in her fourth season as an Assistant Coach for the University of Minnesota Duluth. Lange played for the Bulldogs from 2010-2013 and is one of the most decorated players in Bulldog Volleyball history including being the program's all-time kill leader. She also serves as a coach for the Minnesota North Junior Olympic volleyball program.

Insurance and Medical Treatment

All campers must have medical insurance. You must register online or complete the enrollment form on the far right column of this page in full including all medical and insurance information. By signing the Consent for Participation and Medical Information form, you acknowledge the inherent risk of injury by participation. An injury can range from minor injury to a major injury. Such injuries could cause permanent disability such as paralysis, permanent bone or joint injury, permanent scars, other chronic disabling conditions, and even death. If your son or daughter experiences a minor injury, first aid will be provided. For a major injury, an ambulance will be summoned to transport your son or daughter to a hospital.

Meals

For those camps which include meals, meals are provided by UMD Food Service in the Residence Hall Dining Center or by local restaurants in an alternate dining area, including one evening where there will be a pizza night.

Housing

All overnight campers will be housed, one or two to a room, in a university residence hall. There are no accommodations for a three person room. Housing Staff and Supervisors will include coaches staying in the dorm for the duration of each camp. If you are requesting a roommate, BOTH you and your preferred roommate must request one another on your online enrollment forms or on your mailed in registration forms.

Cancellation Policy

Due to the limited numbers of spaces for camp this summer, refunds are only allowed if the camp director is able to fill that spot with another camper. In addition, refunds are only allowed due to medical necessity and must be accompanied by medical verification. UMD Athletics reserves the right to change and/or cancel camps at any time and in these cases a full refund can be issued.
